## FTO Observer Participation Guidance

Thank you for taking an active role in your recruit's Basic Training by observing their progress in ILEA training. Your observations will allow a more full understanding of your recruit's strengths and weaknesses as they progress. Below are a few guidelines:

- Identify yourself and agency to the ILEA instructor upon arrival.
- Receive communication from the ILEA Instructor on the expectations for that observation of training.
- If there are any concerns with training, please report them to Wes Breckenridge at 515-331-5768 or [wes.breckenridge@iowa.gov](mailto:wes.breckenridge@iowa.gov)

**To register to attend as an FTO Observer, please see volunteer opportunities and select the "FTO Observer/Assistant" registration option.**

**If you wish to assist with the Academy as a guest instructor**, please sign up on ILEA website under the Training tab --- Volunteer <https://ileatraining.iowa.gov/> Only guest instructors will be awarded credits toward ILEA training.
